

YOUR OPPORTUNITY TO CONNECT DIRECTLY WITH
THE WATER AND TAILINGS DAMS INDUSTRIES

ANCOLD 2023

Conference

**DAMS:
A CRITICAL RESOURCE**

**25-27 OCTOBER
CAIRNS, QUEENSLAND**

SPONSORSHIP PROSPECTUS

On behalf of the Australian National Committee on Large Dams (ANCOLD) Executive and Local Organising Committee, I cordially invite you to the 2023 ANCOLD Conference due to be held in October in Far North Queensland.

The conference will be held at the Cairns Convention Centre, a stunning venue located within the same region as the World-Heritage listed Great Barrier Reef and Daintree Rainforest.

This year's theme "Dams: a Critical Resource" provides an insight into the importance of these structures to our collective health and prosperity. Whether viewed through the lens of water supply, energy production or minerals processing, dams play a vital role in sustaining humanity. We will explore these crucial functions with reference to the entire asset lifecycle, spanning design, construction and operational management. For the first time, there will be a full day workshop followed by three days of technical sessions, providing attendees ample opportunity to listen and learn from eminent and knowledgeable authorities within the industry. Supported by a splendid social program, the event promises to be a highlight on the calendar of all dams professionals for 2023.

As always, we gratefully acknowledge and value the ongoing contribution of existing sponsors of ANCOLD, and we encourage new sponsors to take up the opportunities and brand exposure that this conference can offer your business.

Ryan Cantrill
2023 Conference Convenor

INVITATION FROM THE CONVENOR

KEY OPPORTUNITIES THAT THE ANCOLD CONFERENCE PROVIDES

Engage with key decision-makers from the dams and tailings industry over three days

- Over 100 different organisations are represented from Australia wide and overseas.
- Both government and private sectors represented.
- Recognition through electronic marketing in the months leading up to the conference.
- Venue signage.
- Recognition in the conference handbook.
- Recognition on post event questionnaire.
- Thank you email to all delegates.
- Exhibition booth.
- Delegate Competition.

AUDIENCE

About ANCOLD

The Australian National Committee on Large Dams Inc (ANCOLD) is an Australian based non-government, non-profit and voluntary association of organisations and individual professionals with a common technical interest in dams.

ANCOLD is not an advocate for dams but an apolitical industry body that focuses on disseminating knowledge, developing capability and providing guidance in achieving excellence for all aspects of dam engineering, management and associated issues.

www.ancold.org.au

ANCOLD Members

Over 50% of delegates are ANCOLD Associate Members or Employees of Member Organisations. ANCOLD currently has 58 member organisations covering all aspects of the dams industry, and over 200 individual Associate Members. Corporate Members comprise a range of public and private sector dam owners, consultants, contractors, government agencies and other organisations with a professional interest in dams. Associate Members are typically specialist professional civil, mechanical, electrical and environmental engineers or allied practitioners working in the dams industry.

WHO WILL YOU MEET?

- Managers
- Team Leaders/Coordinators/Officers
- Analysts/Planners/Research/Advisors/Consultants
- Principals/Chairmen/Directors/Associates
- Engineers
- Unknown/Didn't State

PREVIOUS SPONSORS AND EXHIBITORS

TESTIMONIALS FROM PREVIOUS SPONSORS

“ANCOLD is the peer association of dam owners, regulators, consultants, suppliers and contractors involved in the dams industry. As an associate member of ANCOLD and a regular attendee at the annual conferences, I can attest to the value of contributions made by sponsors to the success of each conference.

The sponsorships are key to the affordability for conference attendees. Sponsors of the social events, technical sessions, tours, lunches and coffee breaks are acknowledged each time and appreciated by participants. In return, a sponsor achieves awareness among senior decision makers who can call on the sponsors’ services or products. The conference environment also provides an opportunity for sponsors to occupy kiosks which attendees can visit during gaps in proceedings.”

Brian Walford
Principal Civil Engineer
WSP Australia Pty Limited

“I have been attending ANCOLD conferences for nearly 3 decades because it provides fresh air in terms of advances in engineering, how to deal with practical situations and networking.

ANCOLD conferences provide the great opportunity for exhibitors where you have a captured audience who, for example, may be looking for a company which can cut a block of concrete 100m+ under water. This helped me once when I was pondering who can do such and I found an exhibitor who had done such before in dams and offshore facilities.

Leishman Associates have been the conference organiser for many years, that I can remember. They are part of the ANCOLD-family. They are very professional, helpful and provide an implacable service to the delegates, exhibitors and sponsors.”

Dr Nihal Vitharana
Associate Principal and
Australasian Dams/Seismic
Leader of Arup Partners

“AWMA have been attending ANCOLD for the past five years. Moving the host city around gives the opportunity for a diversified mix of attendees, for example the Hobart conference attracted a large audience from the ‘hydroelectric market’ which was great for us. ANCOLD provides a networking opportunity for a very specific sector of the water industry. AWMA find the transferring of experience and knowledge invaluable, especially when discussing the performance, viability and management of critical water infrastructure. AWMA look forward to continuing to support ANCOLD and its members.”

Belinda Barker
Marketing Manager
AWMA - Water Control Solutions

“My first ANCOLD conference in 2017 was a stimulating experience, with an amazing technical level. A great diversity focusing on all different aspects of dam design, management and safety.”

Vincent J Espert
Business Development at
OFITECO

- Company will be verbally acknowledged by the Chair prior to the event

ANCOLD

Conference
2023

Show your leadership and creativity by designing an individual booth space reflecting your company's values and themes.

Guidelines:

- Your design must be submitted for approval by the ANCOLD Conference Committee. Please submit your design to kim@laevents.com.au
- Open to all existing and new exhibitors.

Selection Criteria:

- Create engaging and interactive experiences
- Utilise contemporary technologies and immersive digital innovations
- Garner attention and interest using visual displays
- Encompass the conference theme
- Demonstrate main industry trends and relevance to key industry challenges
- Go deeper than just promoting your brand

You will receive:

- A 15% discount on your booth, applied once approved.
- One additional registration, so you can have more people on your booth to help you be “creative”
- Acknowledgement as an ANCOLD Creative by a distinct fascia on your booth and through conference marketing

EXHIBITION PACKAGES

Taking an exhibition booth is a great way to position your organisation to connect with conference delegates and promote your services. With the exhibition area open for the duration of the conference, that's a lot of quality exposure for your organisation. All conference lunch and refreshment breaks will be held in the exhibition area to ensure a high traffic flow of delegates.

The exhibition at ANCOLD 2023 runs for three days, with all exhibitors to be set up by 0800 on the Wednesday - the first day of the technical program.

Please note, dates and times are a guide only and may be subject to change.

Custom Built Displays

If you'd like to stand out from the crowd and customise your booth with additional furniture and features, please contact Perth Expo our Exhibition Build partner or check out their catalogue at Perth Expo. Conference specific contact details will be given out with the Exhibitor Guidelines.

A custom build will need to be approved by the venue 6 weeks prior to the conference. Please contact Sandra for details.

Additional Tickets & Registrations

All staff on site must be registered to attend either by utilising your complimentary registration or by purchasing an additional exhibitor registration for \$675.

Additional Exhibitor registrations include;

- Daily catering
- Attendance at conference sessions
- Attendance at the Conference Welcome Reception

Conference dinner tickets may be purchased separately

This Exhibitor/ Sponsor Pass is significantly reduced from the standard delegate fee as recognition of your company's support of the event. Please note there is a maximum of two additional exhibitor registrations per sponsor or exhibitor.

Appliance Testing

All electrical appliances and leads used on site must comply with the Australian Standard AS/ NZ 3760:2010, which requires the appliance to be inspected, tested and tagged. Items that do not comply will not be permitted to be used onsite. Electrical items such as switchboards, cables and outlet fittings must comply with the Australian electrical wiring standard AS/ NZS 3000:2007, and be installed by a qualified A grade electrician. Note: Double adaptors will not be permitted onsite, instead power boards with overload cut off are permitted. The venue is at liberty to check that the electrical appliances that you bring onsite are appropriately tagged.
